Visit LogViewer.com to get your license key for free. A Few Disadvantages: Does not provide real-time information: you'll need to manually view any log file after a specific time interval, which might not be a huge concern for some, but can be an issue if you need to catch up on actions Supports only Windows systems: you'll need to run the application in a Windows-compatible environment, which can be a big problem if you use Mac or Linux (though it does run on a Mac and Linux, too) Frequently Asked Questions: Q: How do I get my free license key? A: Click 'Get Your Free License Key' button in the website menu and follow the instructions. Q: How do I change the color of action labels? A: Simply right-click on them and click 'Set Color' to change the color Q: I've installed the program, but how can I check whether it's active? A: LogViewer.com in your browser and click the button, enter your email and you'll get a license key Q: How do I view multiple logs in one window? A: Simply install the application. When you get the log, click 'Open Log File' in the program menu Q: How do I save log data as a file? A: Simply click 'Save Log File' in the application menu About Us The music and games industry is constantly changing. To adapt, you may need to make some changes to your business strategies. The upcoming UFC 212 showdown between featherweight champ Max Holloway and Brian Ortega has turned into a MMA-POTW event, which is a pretty unusual situation in and of itself. The main fight will be in the main event, but there are other fights that are potentially much more interesting than what's going to happen in the cage. The 145-pound title fight has a few other fights to choose from, including a couple of other championship bouts. However, the main event is currently the most intriguing fight, and the one that has everyone talking. The main event is a superfight between Holloway and Ortega, who are both among the best in the world at their respective weight classes. Holloway is the current UFC featherweight champion, having beat Jose Aldo for the title back in December. Ortega is the other main event contender at the weight division, having won a seven-fight win streak, including victories over top guys such as Cub Swanson and Frankie Edgar. The 34-year-old has beaten a number of top 145-pounders over the course of his career, and has never been submitted. However, Holloway is also a phenomenal fighter, and he's fought for the UFC title in the past. The Hawaiian is a former featherweight titleholder, and a two-time, former UFC lightweight champion. He's a former Olympian, and is known for his brutal one-punch knockouts. Ortega is no slouch in the takedown
